got it thanks... I'm down in North Carolina but hope to have this signed and published by end of the week.

Stay tuned

Subject: Clinton Newspaper

Hi,

I'm trying to get out the public notice for the Clinton revisions by Friday since that's when our fiscal year ends. They tell me we can do it, but I was curious to the newspaper in the Clinton area that would be best served? Do you know the largest newspaper in area?

Thanks

Jay
